Topic: Some people believe that university students should be required to attend classes, while others believe that going to classes should be optional.

Band 8 Essay:

In recent years, there has been considerable debate regarding whether university attendance should be mandatory or optional. While some argue that compulsory attendance ensures academic rigour, I believe that students should have the freedom to decide how they manage their study time.

On the one hand, mandatory attendance ensures...

On the other hand, optional attendance allows...
